OPPORTUNITIES FOR SERVICE

Christ Church, Lille
14 rue Lydéric
59800 Lille

At Christ Church it is our belief that as people choose to serve, whether in our church or in the local community, the impact of that service will change lives—for those serving, for the people they serve, and even for those who see them giving their time to help someone else.

It takes many volunteers to make Sunday services, activities & events throughout the year, happen. Are you willing to help? Our needs are as diverse as the people who attend our services. Find out how you can get involved and serve others in our church community.
