

As we journey towards Christmas, what makes you feel hopeful? Thank God for anything or anyone bringing you joy

If there are things making you worried about the future, pray that God's light and peace will go with you

Decorate your star, adding your own prayer or picture

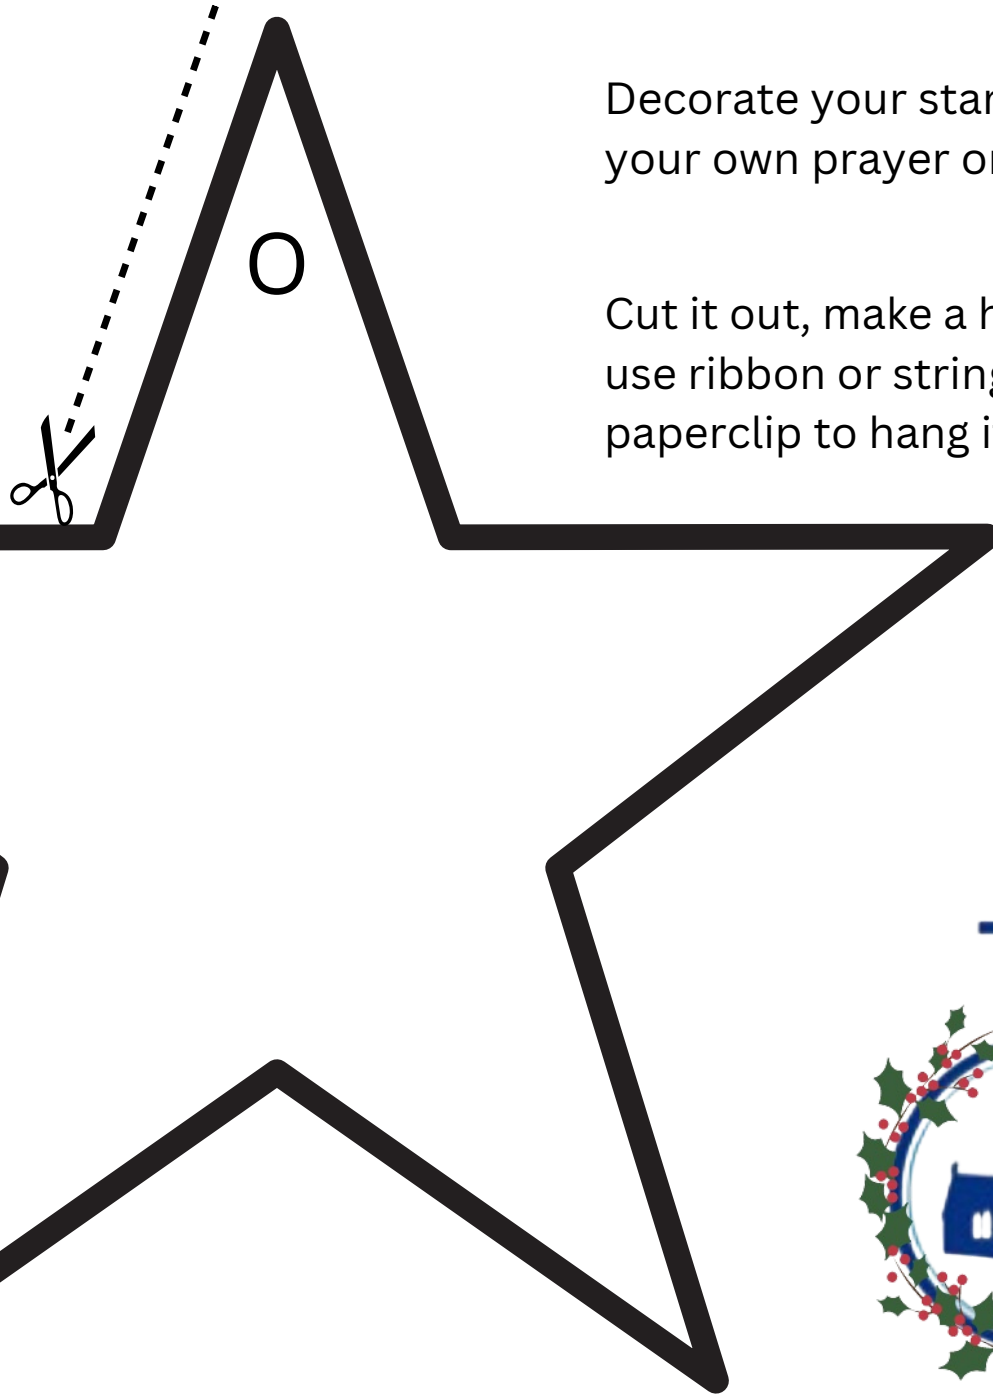

Cut it out, make a hole, and use ribbon or string or a paperclip to hang it up

You're very welcome to join us at Christ Church this Advent and Christmas. Bring your star and decorate the church or hang it up at home.
