Salt of the Earth

You are the salt of the earth (Matthew 5:13)

I'm sure you all knew that many foods taste much better with a little salt. It doesn't take much. In fact, when you are cooking, a recipe often calls for "a pinch of salt." Not much, just a pinch, but that little pinch of salt makes a big difference in the flavour.

In our Bible lesson today, Jesus said to his disciples, "You are the salt of the earth." What do you think that means? I think Jesus means that he wants us to improve the quality of life of those we meet each day. How can we do that? We can do that by introducing them to Jesus and by showing them that having Jesus in our life is like having salt on our food. Everything is better when we have Jesus in our life.

There is a lot of hatred and bitterness in our world today. If you and I will show the love of Jesus in all that we do, we can be the salt of the earth like Jesus called us to be. Just a pinch of salt can do much to reduce bitterness and bring peace to our world.

Heavenly Father, our prayer is that we may be the salt of the earth by showing the love of Jesus in all that we do. In Jesus' name we pray. Amen.
