Thank you.

Everything we do as a church in terms of loving God, growing community, and serving Lille is made possible by our church family praying, serving, and giving financially and we are so grateful. Thank you for being part of Christ Church and for your partnership in the Gospel, it is a real joy to be part of this growing church family.

Time: Could you give some time? Time to make this church even more welcoming?

- Alex is going to project manage the renovation of the area from the entrance to the hall across to the toilets, and down to the door to the hall. We need practical skills.
- Our ministry to children needs people to give time to work with Daniel.
- Our ministry to working professionals needs to grow under the leadership of David.
- Could you share your musicality to help develop our music team with Noel?
- Veronica would like to restart toddler group but needs a CCL member to co-lead with her. Could that be you?
- Christ Church Lille is committed to serving God through looking after his creation. Could you help set-up an Eco Team to support the church in doing this through sharing information and challenging and encouraging the congregation in their role?

Finance: Could you share your money?

- We would like to replace the noticeboards at the back of church with something more modern and inviting. The current boards act as a barrier rather than an invitation to come in. Could you help with the financing of new ones?
- The renovations of the entrance to the hall need not only time but money for materials, filler, and paint. Could you help finance the works needed?

- Could you pledge to give one tenth of your income to God's work here? Or if not one tenth, what could you pledge to give?
- Could you support our church in its ministry and mission by joining the Planned Giving scheme? This involves speaking to Ann, our Treasurer or Frances and finding out how that works.

Prayer: As well as the way of Generous Living you have pledged to, we need you to pray. Could you spend time in prayer and studying God's word, so that our church grows?
