Reflecting The Light

Reflecting the love of Christ

Have you ever sat outside on a bright sunny day and used a mirror to reflect the sun's light? As the sun light shines on me, I hold up my mirror and I can reflect the light to shine on different things around me. I am not the light, I am just letting my mirror reflect the light to shine on different things.

If I am going to reflect the light on you, there are a couple of things that are very important:

The Bible tells us that "There was a man who was sent from God; his name was John. He came as a witness to testify concerning that light, so that through him all men might believe. He himself was not the light: he came only as a witness to the light. The true light that gives light to every man was coming into the world." Who do you think the true light is that the Bible said was coming into the world? That is right! It was Jesus. Jesus is the light of the world.

You and I need to be like John. The Bible says that we are to let our light shine, but we need to remember that "Our Light" is Jesus. We are not the light, we are just mirrors that reflect His light.

If we are going to reflect the light of Jesus, we must remember a couple of things:

When we remember those two things, we will reflect His light to the entire world.

Dear Jesus, we want to reflect your light in the world. Help us to keep our faces turned toward you and help us to keep anything from coming between us and you. Amen.
