God Loves Us (Romans 5:1-8)

Have you ever had a day when nothing seemed to go right?

Maybe something went wrong at school, you argued with a friend, or you felt worried about something.

The Bible tells us that God loves us every day—not just on the good days, but on the difficult days too.

Because of Jesus, we can be close to God and know his peace.

Life is not always easy. Sometimes we face problems and challenges. But God can help us grow through these times. We learn patience, courage, and hope.

And there is something very important to remember:

God's love never runs out.

How do we know?

Because Jesus gave his life for us.

Jesus didn't wait for people to be perfect before he loved them. He loved people when they were struggling, making mistakes, and needing help.

That means God loves all of us.

The good news is simple: **God loves us no matter what.**

And because God loves us, we can share that love with others too.

Let Us Pray

Dear Jesus,

Thank you for loving us every day, on our good days and our difficult days.

Help us to trust you, to share your love with others, and to remember that your love never runs out.

Amen.
