When I feel worried	God sees me
When I feel happy	God loves me
When I feel lonely	God is with me
When I feel afraid	God cares for me

Family Activity – Sparrow spotting

This week, look for birds when you are outside. When you see one, remember Jesus' words: **"You are worth much more than many sparrows."**

Talk together:

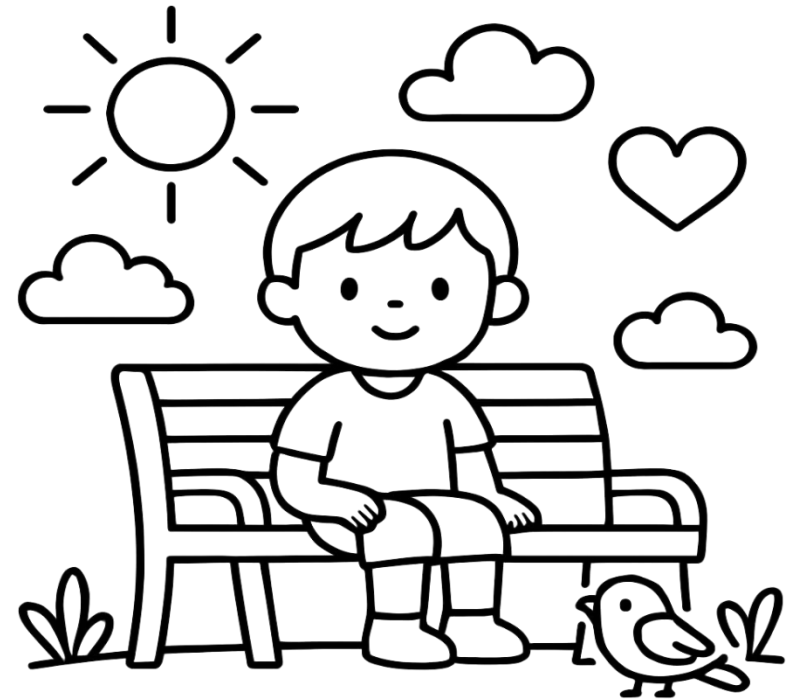

- What do you think God loves about you?
- What are you thankful for today?

Draw around your hand. Inside your hand write or draw:

- ♥ Something you enjoy ☆ Something you are good at
- 😊 Someone who loves you

Welcome / Bienvenue

God Watches Over Us

Dieu Veille sur nous

God Cares For You (Matthew 10:29-31 ICB)

Do you ever feel worried or forgotten?

Maybe you had a difficult day at school, felt left out, or wondered if anyone noticed how you were feeling.

In today's Bible reading, Jesus talked about sparrows—small birds that people often did not notice.

But Jesus said something surprising.

God knows every sparrow.

Not one sparrow is forgotten.

Then Jesus said: **You are worth much more than many sparrows.**

That means God knows you too.

God knows when you are happy.

God knows when you are sad.

God knows when you feel brave.

God knows when you feel worried.

You never have to wonder if God sees you.

God knows you, loves you, and cares for you every day.

The good news is simple: **God watches over us because he loves us.**

Let Us Pray

Dear Jesus,

Thank you that you know us and care for us.

Help us to remember that we are never forgotten and never alone.

When we feel worried, help us to trust you.

Amen.

God watches over our church family
