## Jesus teaches us to welcome others (Matthew 10:40-42 ICB)

Have you ever welcomed someone?  
Maybe a new child at school, a visitor at church, or someone who needed a friend.

Jesus teaches us that small acts of kindness are very important.  
He said, "Whoever welcomes you welcomes me."  
This means when we show love and kindness to others, we are showing love to Jesus too.

Sometimes we think only big things matter.  
But Jesus tells us that even small things can make a big difference.  
A smile, a kind word, sharing a toy, or helping someone can show God's love.

Jesus also says that when we care for others, God sees it.  
God notices the little things we do.  
Nothing kind is too small for God.

We are all part of God's family.  
God welcomes us, loves us, and cares for us.  
Jesus wants us to welcome others in the same way.

**Remember:** When we welcome others, we share God's love.

## Let Us Pray

Dear Jesus,  
Thank you for welcoming us and loving us.  
Help us to notice people around us and show kindness every day.  
Help us to welcome others like you welcome us.  
Amen.
