

Find God's Creation

Circle everything God made:

Sun

Tree

Bird

Stars

Bible

Fish

Car

House

Family Activity – Creation walk

Go outside together. Can you find:

Something bright

Something that flies

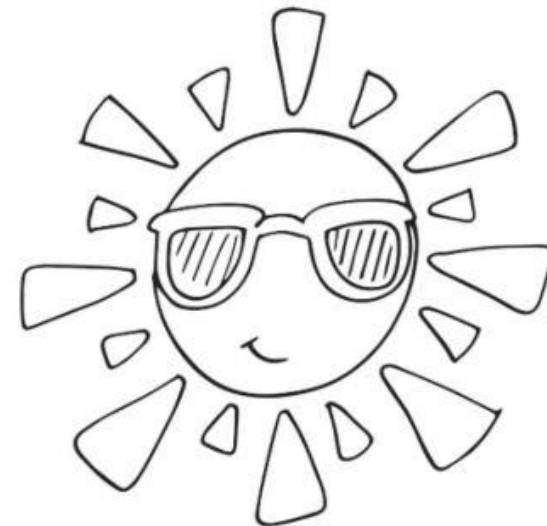

Something growing

Talk together: What does God's creation tell us about Him?

Welcome / Bienvenue

Children's activity sheet (3-11yrs)

God's wonderful words

Les merveilleuses paroles de Dieu

Psalm 19 (The Message)

¹⁶⁻²¹ He came to Nazareth where he had been raised. As he always did on the Sabbath, he went to the meeting place. When he stood up to read, he was handed the scroll of the prophet Isaiah. Unrolling the scroll, he found the place where it was written,

God's Spirit is on me;
he's chosen me to preach the Message of good news to the poor,
Sent me to announce pardon to prisoners and
recovery of sight to the blind,
To set the burdened and battered free,
to announce, "This is God's time to shine!"

He rolled up the scroll, handed it back to the assistant, and sat down. Every eye in the place was on him, intent. Then he started in, "You've just heard Scripture make history. It came true just now in this place."

God Speaks To Us (Psalm 19)

Have you ever looked at a beautiful sunset, listened to birds singing, or watched the stars at night?

The world around us tells us something wonderful.

It tells us that God is amazing.

In Psalm 19, David says that the sky, the sun, and the whole earth show God's greatness.

God also speaks to us through the Bible.

The Bible helps us to know God, make good choices, and follow Jesus.

Just as the sun brings light to the world, God's Word brings light to our lives.

The good news is simple: **God speaks to us through his world and through his Word.**

Let Us Pray

Dear God,

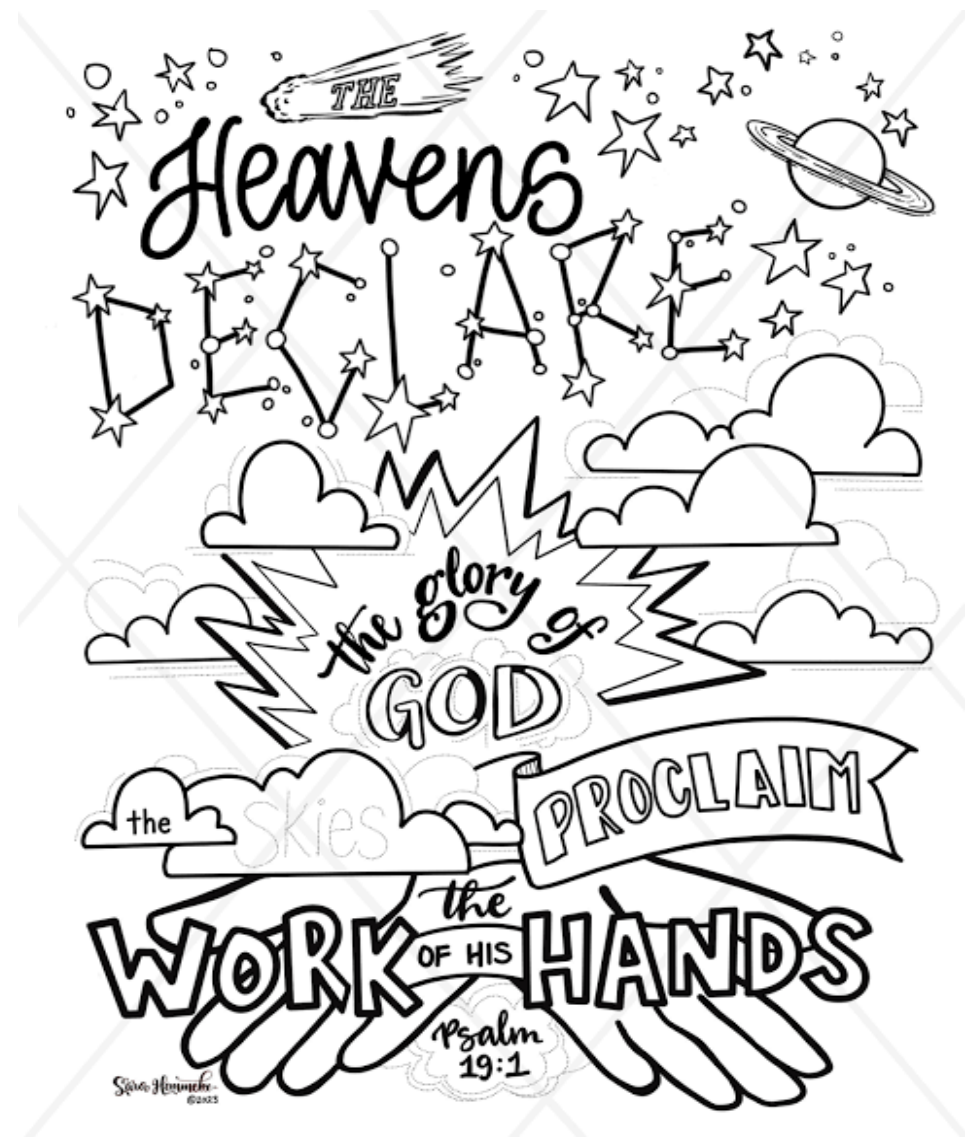

Thank you for your wonderful world.

Thank you for the Bible that helps us to know you.

Help us to listen to your voice every day.

Amen.

God Speaks Through His World And through The Bible
