

Small activity: Thank you, God

Look around you and think of **five things God has given you**.

Draw or write them in the five spaces.

Then say:

“Thank you, God!”

Family Activity

The Thankfulness Basket Challenge

During the week, whenever someone notices something they are thankful for, write it on a small piece of paper and put it in the basket.

It could be:

“Thank you for dinner.”

“Thank you for the rain.”

“Thank you for Grandma.”

“Thank you for our garden.”

“Thank you for my friend.”

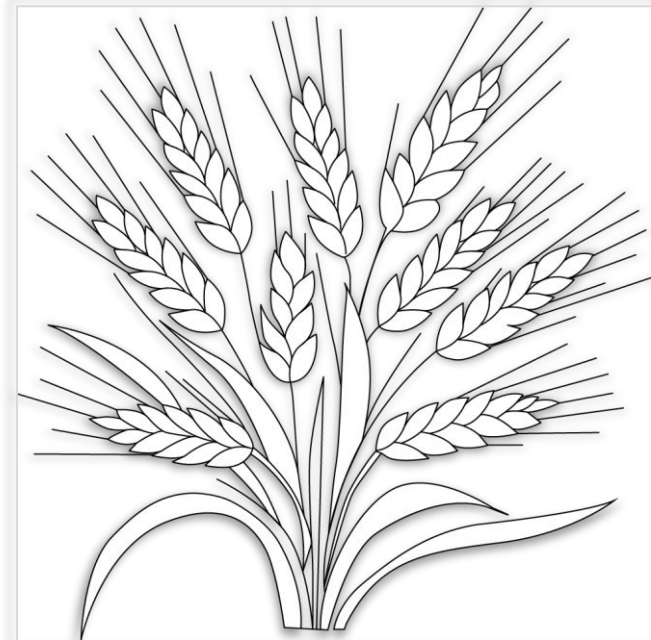

At the end of the week, sit together and read the thank-you notes.

Then pray:

Dear God, thank you for all your gifts. Help us to notice the good things you give us and to remember to say thank you. Help us to share with others too. Amen.

Harvest Festival

Fête des récoltes

The Story (Luke 17:11-19)

Have you ever been given something really special?

Maybe a birthday present, a delicious meal, or help when you needed it.

What do you say?

“Thank you!”

In today's Bible story, Jesus met **ten men who were very ill**. They called out to Jesus and asked him to help them.

Jesus healed them, and they went on their way.

But one of the men stopped.

When he realised that he was healed, he came back to Jesus. He thanked him and praised God.

Jesus was pleased that he had remembered to say **thank you**.

The Bible also tells us about God's wonderful creation. God sends rain to water the earth. He makes the fields grow and gives us food to eat.

At Harvest Festival, we say **thank you to God** for all the good things he gives us.

We can also remember the people who grow our food, care for animals, drive the lorries, work in shops and prepare the food we eat.

The good news is simple:

Everything we have is a gift from God. Let's remember to say thank you!

Let Us Pray

Dear Jesus,

Thank you for all the good things you give us.

Thank you for our food, our homes, our families and friends, and for the beautiful world you have made.

Help us to remember to say **thank you** and to share what we have with others.

Amen.

We can thank God for everything He gives us

Nous pouvons remercier Dieu pour tout ce qu'il nous donne.
