🏠 **Family Activity:** **Be a Blessing!**

This week, choose one way each day to be a blessing to someone.

You could:

- ❤️ Comfort someone who is sad.
- ❤️ Share something with someone.
- ❤️ Make peace after an argument.
- ❤️ Help someone without expecting a reward.
- ❤️ Include someone who feels left out.

At the end of the week, talk together:

"How did we show God's love to someone this week?"

Pray together:

Dear God, thank you for loving us. Help us to bring kindness, peace and comfort to others. Help us to follow Jesus in the way we live. Amen.

The Story (Matthew 5:1-12)

Have you ever thought that being happy means having lots of toys, being the best at something, or always getting your own way?

Jesus taught people something different.

One day, Jesus went up a hillside and sat down to teach the people. He told them about the kind of people God blesses.

Jesus said that God cares for people who are sad, people who are gentle, and people who want to do what is right.

God blesses those who show mercy, make peace and work for what is good.

Jesus also said that God cares for people who are treated badly because they follow him.

These teachings are called the Beatitudes. The word blessed means that God cares for us and is with us.

Jesus shows us that God's way is not always the same as the world's way. We don't have to be rich, famous or the best at everything to matter to God.

We can trust God, care for others, make peace and choose what is right.

💛 **The good news is simple: God loves us and blesses us as we follow Jesus.**

Let Us Pray

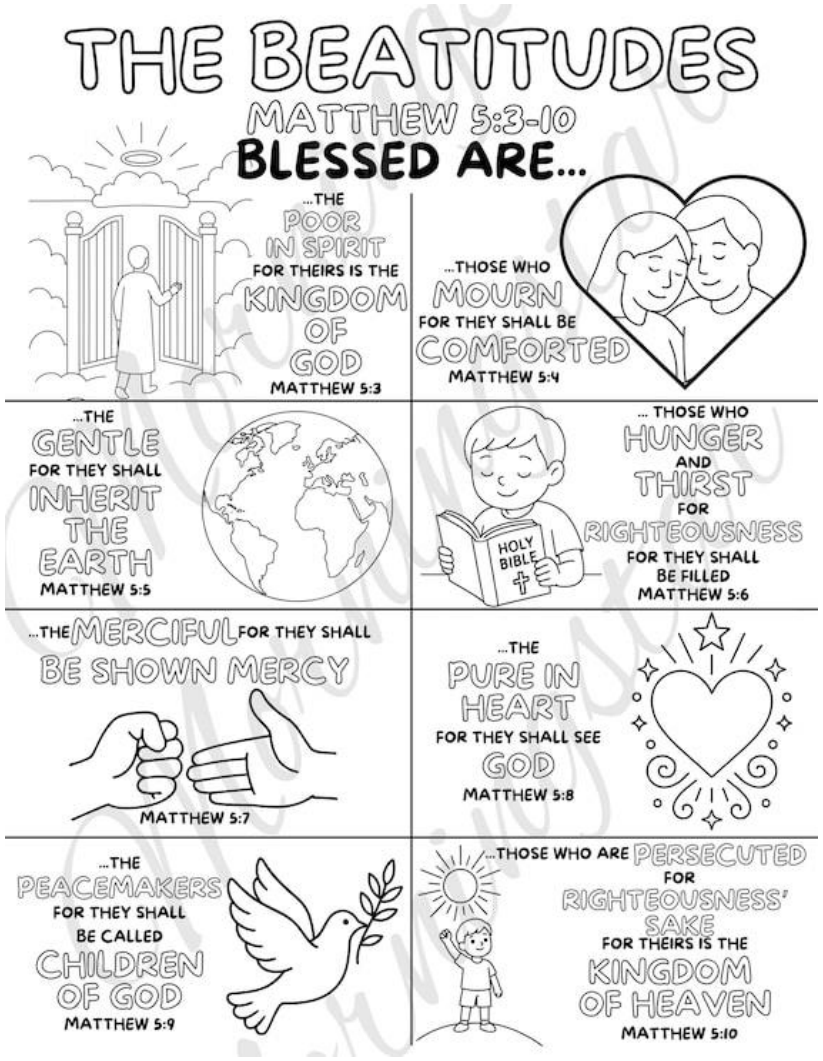

Dear Jesus,

Thank you that you love us and care for us.

Help us to be kind, gentle and fair. Help us to comfort people who are sad, forgive others and make peace when there is trouble.

Show us how to live your way every day.

Amen.
