Family Activity: The Gift Challenge

This week, ask each person in your family to think of one special gift or ability they have.

It doesn't have to be something amazing. Perhaps you are good at listening, making people laugh, cooking, fixing things or helping others.

Now choose one way to use your gifts to do something kind for someone else.

For example:

- Use your creativity to make someone a card.
- Use your time to help someone.
- Use your hands to make or fix something.
- Use your kindness to cheer someone up.
- Use your listening skills to be there for a friend.

At the end of the week, talk together:

"What gifts did we use, and how did they help someone?"

Pray together:

Dear God, thank you for making each of us special and giving us different gifts. Help us to use them wisely, to help others and to share your love. Amen.

🕮 The Story (Matthew 25:14-30)

Have you ever been given a special gift?

Perhaps you are good at drawing, singing, running, building things or making people laugh.

We all have different gifts and abilities!

In today's Bible story, Jesus told a story about a man who was going away on a journey.

Before he left, he gave three servants some money to look after.

One servant received five bags of money, another received two, and the third received one.

The first two servants used the money wisely and made it grow. But the third servant was afraid and buried his money in the ground.

When the man returned, he asked the servants what they had done with the money.

He was pleased with the first two because they had used what he had given them. But he was disappointed with the third servant because he had hidden it away and done nothing with it.

Jesus told this story to teach us that what we are given is meant to be used.

God gives each of us different gifts and abilities. We don't all have to be good at the same things.

We can use our gifts to help others, make things better, show kindness and share God's love.

We don't need to be afraid of trying, and we don't need to compare ourselves with anyone else.

⭐ **The good news is simple:** God has given each of us gifts. Let's use them to do good things!

🙏 Let Us Pray

Dear Jesus,

Thank you for all the gifts and abilities you have given us.

Help us to discover what we are good at and to use our gifts to help others.

Give us courage to try new things and to share what we have with the people around us. Amen.

Use your gifts to do good!
